

Dear Parent,

I am very excited to work with _____ in speech therapy this year! We are learning that "Speech is Super" and that in the speech room we are always "Safe, Respectful, Responsible." Ask your child to explain to you what this means!

Your child's speech day(s): _____

We will need to meet before your child's next Individualized Education Program (IEP) due date of _____. Please contact me before then if you have any concerns or questions, or want to meet earlier.

Thank you for sharing your child with me. We are going to have a SUPER year!

_____, Speech-Language Pathologist
