Important Note: This product is intended to accompany the video lessons.

Set up an account and enroll in the free class called "Mastering /R/". Bookmark the class on your computer or iPad so that you can reference it with students.

Lesson 9:

1. Explain to students that they will now be using their new /r/ sounds in different words. These words are a bit tricky because they involve closing the lips. It is very important to keep your lips open when making that /r/ sound.
2. Teach making /r/ with bilabial words. Use the pictures and the video lesson to demonstrate.
3. Have students practice /r/ words with bilabials.
4. Give student the laminated practice page. For each picture that they touch (or cover with a bingo chip), practice /r/ with bilabials.
7. Send the student home with the worksheet to practice their new /r/ plus word endings in front of a mirror at home.
